

# Bar & Cedar Suite

The new bar at Yarnfield Park opened in the autumn of 2015 after a major refurbishment. Whilst it forms the hub for evening activity at Yarnfield Park, in the day it is a perfect area for informal breakouts or for use as a supplementary exhibition or breakout space.

In the evening the Cedar Suite becomes a relaxing lounge area, whilst in the day it offers the perfect additional conference or training space for events up to 220 people. It benefits from twin ceiling mounted projectors and an integrated PA system.
