

YARNFIELD PARK  
Midlands

## Yarnfield Lane Road Closure Information (July 2021 – November 2021)

Dear Guest

Due to a new power cable being laid between the village of Eccleshall and the town of Stone, Yarnfield Lane will be closed in stages between July and November 2021. This will lead to some diversions being necessary for guests to access us here at Yarnfield Park Training and Conference Centre.

If you are travelling from the North and leave the M6 at Junction 15 or from the A50 (from the East), follow signs for the A34 towards Stone. Follow the A34 south, passing Trentham Gardens and The Monkey Forest. You will pass through the Darlston Roundabout and then a petrol station on your left at a set of 2 roundabouts. Do NOT take the next right turn into Yarnfield Lane (signposted for the Yarnfield Park Training and Conference Centre). Follow the A34 to the next roundabout and take the 3<sup>rd</sup> exit onto the B5026 Eccleshall Road and follow the below instructions.

If you are travelling from the South and leave the M6 at Junction 14, follow the A34 north until you enter the town of Stone and pass the Aldi supermarket on your left hand side. At the next roundabout take the first exit onto the B5026 Eccleshall Road and follow the below instructions.

Once on Eccleshall Road, follow this road for around 2 miles. At the roundabout, take the second exit and go straight across the next roundabout onto Meece Road. Travel along this road for around 1 mile and you will pass the site of an old bridge over the road. Take the next right turn onto Yarnfield Lane (Please note there will be “Road Ahead Closed” signs at this junction, but there is still access to the Training and Conference Centre) Follow this road into the village of Yarnfield and follow the signs for the Training and Conference Centre, turning left at the village green.
